December 21, 2021

Dear Tribal Members,

I hope that you and your families are in the best of health.

My administration and I wish to extend our very best wishes for a safe and happy holiday season. We appreciate your prayers and support throughout the year. May the spirit of Christmas be with you and provide protection, good health, happiness, and prosperity in the coming year.

While we would have all enjoyed being at Acoma for the 4-day Christmas observance, the Sacristans have informed us that the traditional observance will not occur. However, the Field Chiefs will open the church during the four days of Christmas and if you show proof of vaccination at the Crow Point Security Station, you will be provided access to Acoma. Due to the continued spread of the Coronavirus, and now the Omicron variant, it is of utmost importance that we all take precautions to protect ourselves and our families. Please remember that wearing a mask in public is mandated, no gatherings of more than 10 people, social distance, sanitize, and wash hands frequently.

Thank you, for your cooperation and understanding. We really do appreciate your adherence to the Executive Order and your willingness to be vaccinated. Please keep in mind that if you are not vaccinated or have not received a booster, please make plans to obtain the vaccine either at ACL Hospital (505-552-5300) or by calling Acoma Health and Human Services Department (505-552-5145). Testing continues to be offered at both ACL Hospital and the Acoma Fire Department (505-270-2050).

Merry Christmas! Many blessings to you.

Brian D. Vallo  
Governor
