

ATTENTION ACOMA COMMUNITY

BOIL WATER ADVISORY STILL IN EFFECT UNTIL FURTHER NOTICE

Bring all water from tap to a rolling boil for at least 3 minutes and let cool before using. Boiled, bottled, and potable water can be used for drinking, making ice, brushing teeth, washing, washing dishes, and food preparation.

Potable water is available at the water tanker, south of the Acoma Community Center. (May be available up until November 23, 2022, depending on completion of water system recharge and testing.)
