Questions and Answers (Q & A) Addendum No. 1

Long Range Transportation Plan Update Services
RFQ No. CDO-Q-2026-02
Procurement Office, Pueblo of Acoma
October 7, 2026

Question No.	Vendor Questions	Owner Response
1	Is the Pueblo interested in transitioning the inventory to a GIS-based format?	Yes, the Scope of Work will include transitioning from the BIA Oracle software system to an ArcGIS-based format.
2	Does the Pueblo also require a standalone transportation safety plan as this Long-Range Transportation Plan is updated?	No, the Pueblo of Acoma has updated their transportation safety plan as a standalone plan.
3	Section VII – Proposal Instructions refers to stapling the proposal. However, these will be emailed. Can you confirm that the Pueblo only requires electronic proposals by email?	The Pueblo only requires electronic proposals by email. If email is not possible, submit one flash drive to the Pueblo's Owner's Representative.
4	Can you confirm the time on October 26, 2026 that proposals are due?	Proposals are due at 3:00 P.M. MST.
5	Both of your names and contact information are listed in Section V – Contacts. Can you confirm if the owner's representative is just one, or both contacts?	During the procurement process, the Procurement Manager is the Owner's Representative. As an update, the current Interim Procurement Manager's, Daniel Mariano, email is DEMariano@poamail.org.
6	The RFQ instructs that submissions be emailed to the Owner's Representative and we wanted to clarify whether Marsha Garcia (mrgarcia@poamail.org), Kathleen Clemons (KClemons@poamail.org) **or both** should receive proposals?	During the procurement process, the Procurement Manager is the Owner's Representative. As an update, the current Interim Procurement Manager's email is DEMariano@poamail.org.
